- Maxfli Pants \$49.00
- Ladies Sporte-Leisure Hydrogen Full Zip Jacket \$95.00

Clinics

We are still running the Saturday afternoon clinics that are aimed at members who feel they need to return to basics and also to promote golf to new or outside members. A great way to increase membership is to bring along a new member to these clinics. These run every Saturday between 2.00 & 3.00pm covering all aspects of golf at a cost of \$10.00 per person.

I am now personally running Pump Golf at Royal Hobart. This is a national introductory development program delivered by Your PGA Professional.

Pump Golf provides a structured quality program to help juniors learn the game. The main aim of the pump golf program is to increase the number of juniors playing golf. We are now a “Pump Golf Centre”, so please bring your budding pros along each week between 3.00 and 4.00 every Saturday afternoon. This program is suitable for ages 5 to 16 and is open to anyone that is interested in golf.

Who is YOUR Pro ?

Your PGA Professional is: a Level 5 Diploma Coach (National Coaching Accreditation Scheme)

- has a Certificate of Business Management (Griffith University)
- a AAA Rated PGA Professional
- committed to ongoing learning through PGA Professional Development Programme
- committed to providing a professional service to Royal Hobart and all members equally
- in a contracted position at RHGC and as such my success is due almost solely to member support

Tip from the Tour

Tip 1- Finalise your team now for the Holden Scramble on August 29 teeing off at 8.00am. Details in “Your Pro Shop”.

Tip 2- Get a Lesson

RHGC members deserve the best quality and advice and as such all lessons are provided by a PGA Professional with a AAA PGA Accredited rating. Ask in “Your Pro Shop” for a Lesson Package that is customised for your needs.

Good golfing,
Roger Hughes,
AAA PGA Golf Professional
